Mr. Hooten represents the Plaintiff in the above referenced matter, which is scheduled for a pre-trial conference on April 15, 2008 at 9:00 AM. At this time I would like to request that this matter be adjourned as we are very close to settling and have not received the affidavit of service back from the process server yet. We will notify the defendant of this request.

Should you have any questions please do not hesitate to contact me.

Very truly yours,
